

1000000000

**DESCRIPTION:** AQUASTICK SL is an adjuvant for use as a wetter/sticker on roses with Cotaf® 5EC PCPB (CR)0493 to control powdery mildew and rust; and with Atom® 2.5EC PCPB(CR)0760 to control aphids on french beans and roses.

**DIRECTIONS:** For best results, add AQUASTICK SL to the spray water and stir thoroughly before adding other pesticides.

**RATE:** Apply AQUASTICK SL at 0.01-0.1% based on the spray volume.

**LIMITATIONS:** Read the pesticide label carefully before use and use only where a wetter/ spreader is recommended. Do not use on crops which are under stress.

**CAUTION:** AQUASTICK SL increases the efficacy of the chemicals by improving wetting and sticking properties, therefore exercise caution to avoid an overdose.

**PRECAUTIONS:** Avoid contact with skin and eyes (may cause irritation). Do not eat, drink or smoke while handling this product. Wear protective clothing; overall, hat/head dress, gumboots, gloves masks etc. Wash with soap and water after handling this product. Remove contaminated clothing and wash them before re-using.

**STORAGE AND DISPOSAL:** Store in original tightly closed container in a cool, dry and well ventilated place away from children, livestock and foodstuff. Triple rinse empty container and add washings to spray mixture, then dispose empty container in a safe and authorised place away from human habitation and water sources, in accordance with national regulations and legislation. Do not reuse containers for any other purpose.

**ENVIRONMENT:** Toxic to aquatic organisms. Therefore, do not contaminate streams, rivers or ponds with the remainder of this product.

**FIRST AID INSTRUCTIONS:**

If swallowed: Wash out mouth with a lot of water.

If inhaled: Move affected person into fresh air immediately, keep warm and at rest.

If in contact with skin: Wash contaminated skin with a lot clean water and soap.

If in contact with eyes: Flush eyes with plenty of water for at least 15 minutes. Seek medical attention immediately.

**TOXICOLOGICAL INFORMATION:**

**ANTIDOTE:** No specific antidote. Treat symptomatically.

**In case of an Emergency Call Toll Free No. 0800720021 / 0800730030 (24 hrs)**

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use or store a pest control product under unsafe conditions.

**WARRANTY:** Seller's guarantee is limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
