

DESCRIPTION: AROMA 400 SC is a fungicide with curative and preventive action for control of downy mildew and botrytis control in roses.

MODE OF ACTION: Dimethomorph is systemic in activity while iprodione has contact action.

APPLICATION RATES:

Crop	Pest	Rate
Roses	Downy mildew and Botrytis	1.0-1.25 liter/ha (20-25ml/20 Liters of water)

RE-ENTRY PERIOD: Do not enter treated areas during the restricted-entry interval of 24 hours.

DIRECTIONS OF USE:

Application timing: Start applying when weather conditions favour disease development or when symptoms of disease are first noted. Repeat application after 10 days.

Application technique: Apply AROMA 400 SC as a foliar spray using 1000 litres of water per hectare.

Preparation of spray mixture: Fill spray tank with half the amount of required water. Add required amount of AROMA 400 SC and fill the water to the required level. Agitate to ensure thorough mixing.

SAFETY PRECAUTIONS: Avoid contact with skin and eyes. When using, do not eat, drink or smoke. Wear overalls, safety glasses and impervious gloves. Wash contaminated clothing and other protective equipment before storage or re-use.

STORAGE: Store in the closed, original container in a cool, well-ventilated area. Do not store with foodstuff or for prolonged periods in direct sunlight. Keep out of the reach of children.

DISPOSAL: Puncture empty containers and dispose by burying in a safe designated place away from water sources. Do not reuse empty containers.

ENVIRONMENTAL HAZARDS: AROMA 400 SC is harmful to fish; do not contaminate streams, rivers or waterways with the chemical or used containers.

FIRST AID INSTRUCTIONS:

Inhalation: Move person to fresh air. If person is not breathing, give artificial respiration, preferably mouth-to-mouth if possible.

Skin contact: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 minutes.

Eye contact: Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Ingestion: If swallowed, give 2 glasses of water to drink if victim is not unconscious.

In case of emergency, call (24hr) toll free number 0800720021 or 0800730030
